

ASSOCIATE MEMBER APPLICATION

The Towing and Recovery Association of Washington (T.R.A.W.) was organized in 2005 by towing, recovery and storage business owners to represent the interests of the tow truck industry. T.R.A.W. stands as the authority on the tow truck industry and represents those interests in governmental and legal affairs. T.R.A.W. promotes a profitable operating climate for tow operators by working with State Patrol, Department of Transportation, Department of Licensing, the Legislature, and organizations directly or indirectly related to the tow business. Our Associate Members are an asset to our association, and we do all we can to promote those partnerships and beneficial working relationships.

Please join us and together we will:

1. Represent the legal and business interests of the towing, recovery and storage industry in the legislative and regulatory arena at the federal, state and local level
2. Create partnerships that provide business-related services to support and assist owners.
3. Promote professionalism and ethics in the towing industry
4. Provide education to both owners and employees
5. Communicate within and outside the industry by providing information and networking opportunities
